## ICAI and KAAA sign memorandum of understanding

The Institute of Chartered Accountants of India (ICAI), a premier statutory accounting body set up under the Act of Parliament having over 265,000 qualified Chartered Accountants as its members, and The Kuwait Accounting and Auditors Association

(KAAA) have signed a historic Memorandum of Understanding (MoU) which has been approved Union Cabinet of India. The signing ceremony was held on Nov 21 at the KAAA premises in Kuwait. The President of ICAI CA Prafulla Chajjed, accompanied by

the Vice-President CA Atul Kumar Gupta, flew in to Kuwait from India to sign the MoU. The Chairman of KAAA Faisal Al Tabikh signed the MoU on behalf of KAAA in the presence of its Board members. The main objective of the MoU is to work together to strengthen the

knowledge base of accounting, auditing and financial management in Kuwait through knowledge sharing, faculty and student exchange programs.

CA Sai Devata, Chairman of Kuwait Chapter of ICAI, expressed his happiness on the signing of

the MoU and profusely thanked all the previous and current committee members who worked tirelessly over the years to make this historic occasion a reality.

As Kuwait seeks to achieve its ambitions of becoming a regional financial hub in pursuit of its 'New

Kuwait' Vision document and India's economy expected to be one of the fastest-growing economies in the world, the MoU paves the way to explore various opportunities that may arise in the fields of accounting, auditing and financial management in the near future.

Students pose with their projects.

KUWAIT CITY, Nov 26: The Indian Educational School (IES) qualified for the nationals with A+ grade and one of the junior groups won the award for their outstanding performance with 'A' grade at the science international forum Kuwait which was organized under the title Kuwait Children Science Congress 2019 at the Learners Own Academy.

The school also bagged the award for the best presentation among the 15 Indian schools in Kuwait by winning three out of the four awards.

One of the junior teams comprising Ishann K Batta and Ananth Milan of Grade 8 were guided by Physics teachers of IES Sarath Ramachandran Valsala and Lijo P. George. Their project was sustainable development Agricultural Co-Bot and is qualified for nationals. The Agricultural Co-Bot is an electrical vehicle that can run with rechargeable batteries which has a significant effect of usage in the field of agriculture.

Shreya Varsh Arun of Grade 11 and Marushka Rita Fernandes of Grade 10 represented one of the senior teams. They were guided by Chemistry teachers Senthilvelan M. A. and Ms Priyalekshmi Sachin. Their project was Anti Bacto Roaches – organic manure. This project is a follow up of 'Cockroach – a protein feed' that was done last year under the guidance of Ms Anselma Tessa, Senior Vice-Principal, IES and had won an outstanding grade by the same team. The credit for the concept goes to T. Premkumar, Principal, IES.

The third team comprising Vishnu Balram and Aadil Mohamed of Grade 10 were guided by Ms Deepasree T. C., Chemistry teacher and Ms Leena Praveen, Biology teacher. Their project was Waste to Wealth – Human hair as bio-stimulant for the growth of plants.

The fourth team consisting of Aditya Arun Kartha and Sidharth Sudheer of Grade 5 were selected for the outstanding performance with A Grade. They were guided by Ms Aswathy Simil, Faculty of Biology and Ms Neena Clarence Miranda, Faculty of Chemistry. Their project was efficacy of washed rice water or fermented rice water as an alternative to inorganic chemical fertilizers in seed germination and growth of plants. They also won prize for their best presentation.
