Technology & Its Impact On Accountancy Profession

CA Atul Gupta Vice President, The Institute of Chartered Accountants of India

A man of refined thought-process, quick understanding and sharp vision, CA. Atul Kumar Gupta got elected Vice-President of The Institute of Chartered Accountants of India for the term 20-2019 on 12th February 2019.

CA. Atul Kumar Gupta is known and appreciated widely for his key contribution to the ICAI as facilitator of the Goods and Service Tax regime, particularly in its formative years.

Being a Commerce and a Law graduate by education, CA. Gupta has developed a unique perspective to look into the matter. He has led the cause of profession through various committees of the Institute, serving as Chairman of Digital Accounting and Assurance Board, Board of Studies, IT Committee and Indirect Taxes Committee, among others.

Fintech - The Next Big Opportunity The MobiKwik Story

Ms. Upasana Taku Co-Founder and COO, MobiKwik

The first woman in India to lead a payments start up, Upasana Taku, has played an instrumental role in building Mobikwik as one of India's largest digital financial services platform, with a well-entrenched network of over 3 million direct merchants and 107 million plus users.

Mrs. Taku is widely recognised amongst the top women achievers in India, for her unfaltering contribution as the chief anchor, innovator and leader at Mobikwik. In recognition of her achievements in the tech startup ecosystem in India, Taku was featured by Forbes as one of the Asia's Women to Watch in 2016 and in this year, once again Forbes has featured her as Asia's Top 25 Power Businesswomen-2019.

Upasana is a Bachelor in Engineering from NIT Jalandhar and holds a Master's in Management Science from Stanford University.
